

Miss Wells County Teen Pageant

July 17, 2017

Applications Due June 13, 2017

We are currently accepting applications for the 2017 Miss Wells County Teen Pageant! The Miss Wells County Teen Pageant is open to all single women in Wells County, ages 15-17. The local contest resembles the Indiana State Fair Queen Pageant to which the Miss Wells County Pageant is a preliminary.

There are four areas of competition:

1. The interview represents the business side of a woman's life – interacting with other people in the working world, knowing how to present herself when applying for a job, and how to carry on an interesting discussion. Women need this experience in modern society.
2. The professional wear competition reflects the image of today's active women in a professional and social role.
3. The formal wear competition explores the more romantic side of life. Expression of the true personality is necessary even in formal situations.
4. The onstage question competition expresses the woman's intelligence and the ability to think on her feet.

The Miss Wells County Teen Pageant is organized by the Miss Wells County Committee. The event is financially supported by several businesses and sponsors throughout Wells County. A complete list will be announced at the pageant.

Each contestant will receive a gift and learn valuable skills including social, public speaking, interview, and confidence. The winner and runners up will also receive generous sponsored gifts.

The committee encourages all women no matter the experience level to apply. The object is to have fun as well as guide them to be the best women they can be. The committee members have the experience and passion to make sure every woman is ready and confident when pageant day comes.
