

# 4-H Park Restroom Facility

4-H volunteers are working to raise funds for the construction of a new restroom facility to replace the present structure built in the 1950's.

Construction is being planned for spring 2015 with completion in time for the annual 4-H Fair in July.

Our fundraising effort is underway to raise \$125,000 for the facility and fixtures. The building will include restrooms, shower and changing areas.

A special donor sign is being planned for the restoration project. The sign will proudly display the names of the donors. Families, clubs and businesses are welcome to participate in the fund drive as we work to meet the goal. All donations for this project are tax deductible.

I would like to contribute the following amount toward the construction of the 4-H Park Restroom Facility.

		<u>Amount</u>
_____ Diamond	Gifts of \$25,001—greater	_____
_____ Gold	Gifts of \$10,001—\$25,000	_____
_____ Silver	Gifts of \$2,501—\$10,000	_____
_____ Bronze	Gifts of \$1,001—\$2,500	_____
_____ Crystal	Gifts of \$301—\$1,000	_____
_____ Clover	Gifts of \$25—\$300	_____
