

4-H Flip

The 4-H Flip is back this year and we want YOU to be involved!

Who: 6 teams of 4-H'ers (max. FOUR 4-H members per team) each with an adult coach

Where: Project Building at 4-H park—Registration & Rules forms are available at the Extension office, due by May 31

When: Completed projects due Friday, July 13th at the Community Center Expo Hall between 12-4pm.

What: Repurposed items that will be displayed in the Community Center Expo Hall throughout the 4-H Fair. Voting on crowd favorite and silent bids can be made until 9pm Wednesday before the auction. All participants will receive prizes! Proceeds will go towards 4-H scholarships and the program. Items for the project will be provided if the team doesn't have anything of their own available to repurpose.

*This is not a project signed up for through 4H Online. It is an extra event that is being added for the 4H community to get involved with each other and raise money for the 4-H program.

Last year there were some great entries! We hope you would consider joining in the fun this year!
